Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

Transiting ♀ ☐ your natal AS

Significance: This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

Keyphrases: Purging Negative Attitudes - Deepening Awareness

Theme: The intensification of your Ascendant Profile, thereby stressing the power and importance of a positive outlook, and the necessity of developing such in order to understand and manage previously hidden fears and obsessions.

This is a time when the shadow side of your personality comes to the fore, your 'shadow' being that element of your nature which you have consciously or unconsciously regarded as dark, inferior, anti-social or even evil. Alternatively, this shadow could represent itself as someone coming into your life that has a powerful or destructive influence over you. In either case, you experience an intense quality in the way you relate to the world.

This upheaval may give you a desire to dominate and control your environment, or again, someone could try doing that to you. At this time you to feel more than usually intimate with life, in that you sense a passion and an inevitability about it all that can either be awe-inspiring and motivating, or threatening and despair-inducing. It all depends how familiar you previously were with that shadow side of your personality, and how much you have learnt - or can now learn - to accept it, express it, tame it, and ultimately channel it into to some creative or healing work where power and influence find their proper place.

All relationships with others are strongly affected at this time, in that any underlying urges or fears come to the surface. Dealing with these honestly and thoroughly will be difficult, but after the storm is over, the state of your world and your relationships, and your outlook upon them, will be vibrant and fresh - like sunshine after rain.

But trying to avoid such issues, and leaving them merely at the stage of fear resorting to manipulation, or of hidden desires stealing moments in the dark, or of suspicion devolving into paranoia, attracts a black cloud that will darken your life for quite some time to come. Try reading or re-reading the tale of 'Beauty and the Beast', for in it you'll find many helpful echoes of your present situation.

Possible Encounters: Powerful Presences - Moving Relationships - Power Games

From about: 1 June 2009 to about: 6 June 2009

Transiting ♃ ♄ your natal MC

New Cycle

Significance: This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

Keyphrases: Course Correction - Power in High Places - Inner Rumbblings

Theme: The intensification of your Midheaven Profile, through the scrutinizing of your standing in the world, giving rise to some form of professional and/or personal transformation. **Once-in-a-lifetime start of a new 'Life-Direction Cycle'.**

What you amount to in the world now becomes an issue that requires your deepest consideration. During and around this time, events could well occur that force you to re-appraise the validity of your position in life, the direction in which you are headed, and the ways and means that you employ in order to achieve your ends. Merely pursuing material goals, guided by material standards, will not suffice now.

Initially, you may experience some form of advancement, but if you are using even slightly devious means to do so, or are bucking the system in some way, then there will be hell to pay at a later date. Then again, you may have to 'buck the system' in order to be true to your calling. And your calling is precisely what you now have the opportunity to become aware of. Indeed, and possibly in quite a roundabout fashion, circumstances now demand that you align yourself with your true work - which may not have very much to do with your present job.

As a counterpoint to your outer standing in the world, your inner or domestic life is also scheduled for some form of overhaul during this period. So a home move, and/or some kind of delving into your roots, is a very likely corollary to your present change in direction. In fact, such a move is what could give rise to that change. In any event, your past is revisited or left behind in order to make way for future progress.

This marks a stage in your life when it is a sense of authority, be it your own or another's that assists and guides you. This is not in itself a particularly creative or dynamic influence; but it is steadying. And you will feel the benefit of this when you observe how well regulated certain parts of your life are, and how much respect for work well done serves you. Mature and measured expressions of your personality attract support, and pave your path into the future. For it is your balanced objectivity, which is the hallmark of this period, that can now be profitably used to improve or firm up anything that requires it.

Also, getting down to any creative project is facilitated by a basically balanced attitude. Moreover, whatever ructions or changes might be occurring during this time, this sense of equilibrium acts as an anchor; an anchor that very likely takes the form of a dependable partner or friend.

From about: 21 August 2009 to about: 2 October 2009

This is a good influence to have around when sustained mental effort or concentration is needed. Physical activity that requires concentration is also well-starred, and could lead to the discovery and regeneration of other dimensions of your being. The vital information that is needed for enriching or rationalizing certain areas of your life now becomes available. Restoring or repairing damage to any kind of communication links can also be successfully dealt with now.

Transiting ♃ □ your natal ♃

Significance: This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

Key Phrases: Increased Attraction - The Joy of Love - Over-indulgence

Theme: A powerful emphasis upon your Venus Profile, making you more aware of your relationships, values, art and love.

Everything about your social and love life - the good, the bad, and the indifferent - is now magnified. You might go from the one extreme to another in the space of a few hours - from having fun to being distraught, and back again. Or one day you could be wildly enthusiastic about someone in your life, and next day feel they are limiting your freedom. Needless to say, it is probably sensible to wait until this period is over before making any decisions. But then again, such extremes could well see someone else making a decision for you.

Possible Encounters: Significant Ones - Windfalls/Spending Sprees - Fun and Games

From about: 2 September 2009 to about: 25 September 2009

Transiting ♃ ☐ your natal ☉

Significance: This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

Key Phrases: Increased Sense of Self - Full Life - Self-importance - Overextended

Theme: Forced emphasis on your Sun Profile, giving you a stronger sense of being alive - for better or worse.

If you are normally on the shy or self-effacing side, now is a good time to get more in touch with your self-esteem and sense of enterprise, or you will encounter an excess of the same qualities in others. If you are usually fairly (or apparently) confident, you could find yourself being overbearing, too busy - and unlucky, through expecting too much. In either case though, there should be an urge to expand - but how you gauge this is the critical issue.

Possible Encounters: Opportunities for Growth - Big Egos - Fat Chances - Joy

From about: 14 November 2009 to about: 30 November 2009

New Cycle

Significance: This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

Keyphrases: Testing Presentation - Getting It Together

Theme: The powerful necessity of being true to your Ascendant Profile, through having to brave the world as you put yourself and your interests forward as having definite worth. **Start of a new 29.5 year 'Identity Cycle'.**

This is a highly significant period in your life, for you are emerging, or rather re-emerging, into the world after several years of some degree of withdrawal. It may not have been a particularly conscious retreat because the re-assessing of how you wish to present yourself to the world, and what as, has been taking place in much the same way as your body would assimilate a large meal while you carried on the business of living.

But that 'large meal' was the last 29.5 years of your life - or the whole of your life if you are under that age. And so two main questions arise now: Are there any old issues from the past that still need to be closed or dealt with before you can make a fresh start, and, What has the emergent you got to offer or involve yourself with that is going to give a definite purpose for the future?

Theoretically, and traditionally, you would be advised to clear away the former before getting on with the latter. But in reality, you are probably finding yourself living out a mixture of both as you strive to straighten out old ties and commitments, while at the same time endeavouring to make that new beginning or launch that new product or project.

Consequently you have your work cut out for you now, while you represent yourself to the material world with all its, and your, strengths and weaknesses being heavily emphasized. If you are trying to do too much, or do it too quickly, Saturn will find a way of slowing you down. Conversely, where you are on target, some influential or authoritative figure will appear on the scene to assist you substantially.

To keep matters as manageable as possible then, you'll need to cut out any dead wood, in the form of outworn habits, haunts and relationships. Later in your life you will look back at this time as the beginning of an important new chapter in your life, and you will see quite clearly what just had to shape up or ship out. For now though, you are having to thrash this out as best you can - in the knowledge that this new version of you will get through.

Possible Encounters: Firm Impressions - Concrete Reality - Material Resistance

From about: 23 November 2009 to about: 28 December 2009

Transiting ♃ ☐ your natal MC

Significance: This is a strong to medium influence that challenges you to develop in proportion to your current strengths and weaknesses.

Keyphrases: Testing Progress - Professional/Domestic Balance

Theme: Having to be practical and objective about your Midheaven Profile, through reconciling where you are going with where you are coming from, or where you are with where you ought to be.

This can be the hardest part of the climb, in the sense that the balance between your professional life and your personal life becomes a critical issue. If you have been too involved with feathering your nest and not paid enough attention to amounting to something in the world, then you now feel trapped, and prevented from being 'somebody'.

But this would be because you have taken the line of least resistance and slotted into a niche that has now turned into a prison. To break out of this dilemma, which would probably involve loosening or even severing family ties, will take some doing. But the choice is yours: brave the dog-eat-dog world, or settle for staying in the kennel!

On the other hand, if you have neglected your personal or domestic life for the sake of getting on in the world, you could now feel rather empty. You may even be deserted, by those you have taken for granted. So whatever the warning signs here, you must get down to finding out who you are as a person, as opposed to what you are in your job.

The above are extremes of imbalance, but all the same, to some degree it is now necessary for you to check out that you and yours are happy with the current domestic/professional set-up, and to reconsider the validity or feasibility of the course you have taken.

Possible Encounters: Aborted Projects - Necessary Setbacks - Family Crises

Key Phrases: Increased Scope - Great or Inflated Expectations - Expanded Beliefs

Theme: A powerful emphasis upon your Jupiter Profile, thereby granting you a greater sense of what you have and what you can give. **Start of a new 11-12 year 'Growth-and-Development Cycle'.**

This can be a time of largesse or excess, of a new and positive outlook and understanding of life, or of totally overestimating your prospects. You now begin to envisage and work upon something that will last way into the future, as a result of wise planning and generosity, or else you get carried away on a hot-air balloon of wild speculation that begins to lose height with the first pin-prick of reality.

Opportunity and goodwill certainly come your way, but in the long run, everything depends upon your sense of modesty and practicality. You may well find yourself borne along by all manner of visions and possibilities, and by the people that accompany the smell of success. Yet such are best regarded as merely signs and promises. For this is a time when all such issues are put under the magnifying glass, and great honesty and discrimination has to be exercised in order that you may avoid being taken for a ride, feeling excessively disillusioned, or simply wasting your time and energy with misplaced sympathy. You have to make sure that your good intentions are not merely disguising your own emotional wounds.

As soon as you act from this positive starting point, the world at large begins dancing to your tune - simply because it likes it!
