Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

Hot!

Keyphrases: Argument or Hot Debate - Nervous Excitement or Exhaustion

If it's going to be said at all, it's going to be said now - with some force. This in turn will help make decisions concerning issues that have been hanging in the balance. If you still manage to sit on the fence, expect to get pushed off. In other words, keeping a lid on it will attract tension release in some other area - like speeding in your car, acute irritability, or physical weak spots playing up. Now is the time when you can, or have to, really get your mental teeth into an issue - or it will get its teeth into you!

Transiting ♀ ☐ your natal AS

Significance: This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

Keyphrases: Purging Negative Attitudes - Deepening Awareness

Theme: The intensification of your Ascendant Profile, thereby stressing the power and importance of a positive outlook, and the necessity of developing such in order to understand and manage previously hidden fears and obsessions.

This is a time when the shadow side of your personality comes to the fore, your 'shadow' being that element of your nature which you have consciously or unconsciously regarded as dark, inferior, anti-social or even evil. Alternatively, this shadow could represent itself as someone coming into your life that has a powerful or destructive influence over you. In either case, you experience an intense quality in the way you relate to the world.

This upheaval may give you a desire to dominate and control your environment, or again, someone could try doing that to you. At this time you to feel more than usually intimate with life, in that you sense a passion and an inevitability about it all that can either be awe-inspiring and motivating, or threatening and despair-inducing. It all depends how familiar you previously were with that shadow side of your personality, and how much you have learnt - or can now learn - to accept it, express it, tame it, and ultimately channel it into to some creative or healing work where power and influence find their proper place.

All relationships with others are strongly affected at this time, in that any underlying urges or fears come to the surface. Dealing with these honestly and thoroughly will be difficult, but after the storm is over, the state of your world and your relationships, and your outlook upon them, will be vibrant and fresh - like sunshine after rain.

But trying to avoid such issues, and leaving them merely at the stage of fear resorting to manipulation, or of hidden desires stealing moments in the dark, or of suspicion devolving into paranoia, attracts a black cloud that will darken your life for quite some time to come. Try reading or re-reading the tale of 'Beauty and the Beast', for in it you'll find many helpful echoes of your present situation.

Possible Encounters: Powerful Presences - Moving Relationships - Power Games

Transiting ♃ ♄ your natal MC

New Cycle

Significance: This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

Keyphrases: Course Correction - Power in High Places - Inner Rumbblings

Theme: The intensification of your Midheaven Profile, through the scrutinizing of your standing in the world, giving rise to some form of professional and/or personal transformation. **Once-in-a-lifetime start of a new 'Life-Direction Cycle'.**

What you amount to in the world now becomes an issue that requires your deepest consideration. During and around this time, events could well occur that force you to re-appraise the validity of your position in life, the direction in which you are headed, and the ways and means that you employ in order to achieve your ends. Merely pursuing material goals, guided by material standards, will not suffice now.

Initially, you may experience some form of advancement, but if you are using even slightly devious means to do so, or are bucking the system in some way, then there will be hell to pay at a later date. Then again, you may have to 'buck the system' in order to be true to your calling. And your calling is precisely what you now have the opportunity to become aware of. Indeed, and possibly in quite a roundabout fashion, circumstances now demand that you align yourself with your true work - which may not have very much to do with your present job.

As a counterpoint to your outer standing in the world, your inner or domestic life is also scheduled for some form of overhaul during this period. So a home move, and/or some kind of delving into your roots, is a very likely corollary to your present change in direction. In fact, such a move is what could give rise to that change. In any event, your past is revisited or left behind in order to make way for future progress.

Possible Encounters: Your True Vocation - Power Struggles - Family Upheavals

From about: 4 June 2009 to about: 6 June 2009

Transiting ♀ ♃ your natal ♃

Key Phrases: The Electricity Of Love - Unusual Attractions - Possible Alienation

Whatever is out of the ordinary regarding sexual, social, creative or romantic involvements can appear out of the blue now. By the very nature of this influence it is hard to say what will happen. For the same reason it is best not to put too much store by whatever does, because it will most probably be a flash-in-the-pan kind of occurrence. Experimental, shocking or odd - whatever happens now can be anything from extremely exciting to somehow detached - or both even.

This influence can trigger the start of an exciting relationship, but it does not predict what way it will go, for the only assurances as far as Uranus is concerned is that you can expect the unexpected, be ready to be woken up to something new. Significant coincidences can happen now, trying to tell you something about how love and life tick. Sudden attractions and/or breaks in relationship can occur also.

Keyphrases: Taking the Initiative - Making Your Way Forwards and Upwards

Whatever needs doing that will help push things forward with regard to your job or profession, now is the time when you are more likely to find the energy to do so. Alternatively, or additionally, some individual could give you a push. Or others might be looking to you for leadership, and this gives you the confidence to oblige them. Notwithstanding other inhibiting factors, the lights are now on green for 'go'.

Keyphrases: Clear Feelings - Equilibrium - Understanding Needs - Inner Calm

This is an excellent time for getting in touch with both yourself and others. This is because you now experience an optimum balance between what you want and need, between what you think and feel. So you are more than usually able to see things in a healthy light, with a minimum of misunderstanding. Seeing eye to eye, creating agreements or settling disputes is also favoured. Moreover, problems arising from childhood traumas may be successfully explored and set on the road to resolution.

Transiting   your natal 

Key Phrases: Bad Buys - Indiscretion - Feelings At Odds With Words

Feelings and values are presently in conflict with how things are seen or communicated. This can give rise to misunderstandings, especially between loved ones. You should be careful not to let a molehill be turned into a mountain, for really this influence should only amount to a 'life and life only' type of irritation that has no real lasting effect. However, if there is something bigger brewing beneath the surface, then this could bring it out in the open.

But it is an ill wind that blows nobody any good, for with a bit of self-control and a few well-chosen, preferably loving, words, again rather than a loss could be on the cards. Apart from these more serious areas, be on guard against impulse buys or retorts you later come to regret.

You can get a lot done during this period, and encourage others to greater effort and achievement too. All physical activities, particularly sports, can be happily embarked upon. Hot!

Keyphrases: Stimulating Assertiveness - Provoking Aggression - High Energy

You should be rearing to go now. So it is important that you have some constructive outlet for such energies, or otherwise you'll feel wound up and easily agitated. Basically, you should do anything that makes you feel happy to be active and mobile. If for any reason this is not possible, try to identify inside of you what exactly it is that you want or wish to do. Generally, you now get a good idea of how decisive and forthright you currently are. In fact, any course of action that initiates, regenerates or merely continues any project is recommended at this point. However, be warned that working at something resentfully, or repressing and being totally unaware of any urge to act at all, would be asking for a backlash in the form an accident or aggression from someone else - or simply feeling drained.

From about: 13 June 2009 to about: 15 June 2009

Transiting ♀ ✖ your natal ♃

Key Phrases: Love And Goodwill - Fun And Generosity - Joi De Vivre - Lady Luck

Depending on your usual propensity for good fortune or giving/having a good time, this influence will provide you with a strong sense and/or experience of what is enjoyable about life. Taking in anything that enlivens or entertains is very well starred now - whether you are in an active or passive role. You have a lust for life at present - but watch your pocket or appetite, unless you are quite prepared to say it was worth the price, no matter what.

Any activity that requires you to put out a good or generous vibe is best booked for now. You are luckier than at other times - but bear in mind that gambling can have an agenda all of its own so paradoxically, do not bet on it! It is better by far to see and experience this influence as a gift from the gods - but on the gods' terms. This means to say that there is something good in the air, but do not presume on it being 'good' in precisely the way you think you want it to mean. It is really an opportunity to find out what 'good' actually means.

Transiting ♀♂ your natal ♂

Key Phrases: Love At Odds With Sex - Attracting and/or Attracted

You are very much in the mood for sexual and/or romantic experience, or simply to feel socially alive. Depending upon your temperament and availability, such an experience, or at least the opportunity for it, could arise right now, or, it would be a good time to plan for such an occasion, or, failing all of these, it could be a time of frustration if these matters have been put on the backburner.

Then again, out of the blue could come an experience that kind of pleasurably highlights the current state of affairs in your love/sex/social life - even precipitating you into an affair or relationship. All in all though, this has the potential an enjoyable and exciting time - but be wary of your own shortcomings with respect to these areas being exposed. Attractive, artistic or simply likeable people appear on the scene to sweeten your life - or you could be the one being this for someone else.

Transiting ☉△ your natal ♃

Keyphrases: Waking up to the Truth - Light upon the Future - The New and Unusual

From about: 20 June 2009 to about: 21 June 2009

Transiting ♀ □ your natal ♃

Key Phrases: Saying Too Much - Not Seeing the Forest for the Trees

You are now put in touch with all you need to know. However, this can be a double-edge weapon, for on the one hand it could find you able to manage various items or activities into an effective whole, or on the other hand, find you confused as ideas and conflicting considerations flood your mind, giving rise to a 'brain-jam'. Marshalling your thoughts is therefore both the issue and Opportunity at present. Ultimately, you are gaining some kind of understanding now, be it about something specific or something general.

Out of this, a philosophical overview can be arrived at, thereby accommodating anything that is presently going on in your life. Another possible expression is thinking, speaking and/or acting out of a sense of opinion rather than a firm fact. Such succumbing to generalizations posing as the truth could set you up for embarrassment or a lot of wasted time, or both, as you bluff and exaggerate your way into or out of something. So get the facts straight - that is, unless you are quite happy to pontificate. Dealing with foreign matters or people could also be an issue now - again, worthy of detailed consideration.

From about: 20 June 2009 to about: 21 June 2009

Transiting ♀ ♃ your natal ♃

Keyphrases: The Inspired or Confused Mind - Deceptions or Misunderstandings

Unless you are doing something of a creative, therapeutic or entertaining nature, at this time you are possibly asking to attract absent-mindedness or strange, even paranoid, ideas. Crossed lines could also dog any form of communication. So this is not a time to make any crucial decisions or broach delicate matters - it would just not come out right, or what another says or does could be taken in the wrong way. Also, being out and about you may get lost in some way or other. Sitting back and watching the world go by, or taking in a film you know you're going to like, are a few ways of safely, even enjoyably, getting through this one.

From about: 20 June 2009 to about: 21 June 2009

Transiting ♀♃ your natal ☉

Key Phrases: Love At Odds With Life - Love Life Laid Bare - Lover's Tiffs

You can now have the classic Venusian experience of opportunity for love, romance, beauty, value or anything else that makes life worth living. It is also a good time to go out or get down to finding such things. On the other hand, what happens is that the level and quality of romantic or social involvement in your life is now apparent and intensified.

The effect can therefore be anything from having a really good time to feeling in need of having a good time, from looking good to feeling how uphill it is trying to look good, from experiencing love and life as sweet and fulfilling to feeling that everything is superficial and of little value. A purchase can be just what you wanted or turn out later to be an indulgent waste of money.

In the end, Venus is about finding love, beauty and value in whatever circumstances you are in, and not fretting after something that is missing or wanting. Stop wanting and start having; stop craving and start giving. And beauty is only skin-deep if that is only as far as you look!

Keyphrases: Stimulating or Challenging your Ego - High Energy - Anger or Drive

Finding a suitable and effective outlet for your energies is the main issue at present. This probably means expressing yourself physically as well as mentally. So if there is something you have to do that needs a definite degree of forcefulness, then now is the time to go for it. But this is also a time when you can arouse or be aroused to anger or arrogance. This could be just right for clearing the air or making a breakthrough, but watch out for over-reactions, for they could lead to damage. This is a 'hot' period, and can set things off easily. It is up to you whether it is for good or ill.

Key Phrases: Spending Too Much - Spending Too Little - Indulgence or Pleasure?

This is not really a problem except that you are inclined to overdo it - or conversely not push the boat out enough. It all depends on what place you give to love and pleasure in your life. If you are naturally generous, affectionate or fun-loving, then this time will probably be enjoyable for you - although you might have a hangover or blown budget to contend with afterwards.

If you usually have a hard time giving of yourself and being socially satisfied, this influence is trying to show you why, and how you could remedy such a dilemma. The secret is generosity - on any or all levels - to be aware that another's happiness is ultimately your own too. Without tuning into Venus in a positive way, you can simply feel more anti-social, unattractive, or worthless.

From about: 25 June 2009 to about: 27 June 2009

You now experience a sharpening of your sense of what does, or does not, please. This is most likely to occur in the realm of personal relationships, with you feeling the need for a physical show of love. This in turn could find you attracting or being attracted to someone, or feeling frustrated at no one being available. If you have an ongoing intimate relationship, this would be a time for the erotic. In any event, you may have to find the right balance between making love and having sex, between courtship and seduction, tenderness and desire. Also at this time, any art forms that involve movement - like drama, dance, live music, etc - are highlighted or intensified.

Keyphrases: Experiencing Power: Degeneration or Regeneration

The underlying fact of life that everything is born, evolves, decays, dies and is born again now enters your consciousness - in some way, great or small. The opportunity to tune into this cycle of birth and rebirth is well worth taking up, because it gives you a glimpse of the fact that you are a vital part of this cycle. As such, you may sense what is profound and powerful in you and your life, or what is wasteful and degenerate - but you will probably have to peer or delve some way beneath surface appearances in order to do so. You may also encounter manipulators of this power - be they benign or malignant. It could well become necessary for you to let go of decadent elements, and strive towards regenerative ones.
